Muzrai Secretary's Remarks.

I regret that owing to the resolution in question having been ~~fixed~~ mixed up with other ---- resolutions of the Committee, the subject of deputing Gopala Jois to Madras was lost sight of.

The idea of sending him there seems to be a good one but the question of funds arises as he will have to be given his full pay while studying in Madras and the cost of the substitute for him here will have also to be incurred. On this point the opinion of the College Committee may now be called for.

It will be interesting to know the views of the present Committee on this proposal. It is a question how far the Jews will be able to ~~benefit~~ profit themselves from his deputation to Madras
